Dear Sam,

Upon myself and all the staff at Pegasus Home Health Care, we want to express our sincere appreciation for the outstanding job your crew did upon our office relocation. Considering how heavy our office furniture was and a total of 300 boxes being delivered to 32 flight of stairs, I would highly recommend NorthStar Moving Corporation to anyone relocating.

All of our furniture and equipments were handled with extreme care. Every item including boxes were placed in the appropriate area, as they were marked on the boxes.

Sam, I especially thank you for your patience and kindness throughout the process of our office move.

Sincerely,

*Tina Oz*
