**Re: WebEasy Move**

Dear Ram:

I would like to thank you for an incredibly smooth and professional moving experience. As web integrators we have numerous computers and equipment which your movers handled with extreme care. New cubicles arrived hours earlier than scheduled and were being installed in the middle of the office during the move, and your movers lifted all desks and furniture up and over them with ease and without breaking anything – it was amazing!

Additionally, our CEO remarked that it was the best \$3,000 he has spent, and several employees mentioned that it was one of the smoothest moves they had experienced. I would highly recommend NorthStar for a corporate move as well as a personal one.

Regards,

Britt Ashley  
Office Manager
