Gadi,

I wanted to send a quick note to say thank you for all your hard work with our move from Burbank to Sunset blvd.. This move was very challenging to say the least. The timing, scheduling, the uniqueness of the items moved (antiques, rock & roll memorabilia etc.) plus the fact that we had been in that location for 27 years made this an incredibly difficult move. You and your crew made it happen. The guys were professional quick and skilled. We were never waiting on you. They attacked the job and completed the task within our crazy time line. Please thank your great crew and your awesome managers that made it all happen. Thanks for being ready, willing and able to deal with all the challenges this move entailed.

Sincerely,

Tom Gibis  
Office Manager
